CENTRE**

Our online Toolkit has a range of resources to help you prepare for and recover from extreme weather events. Find it on our website!

Our

Make a plan

Know what you would do before, during and after an extreme weather event. Have a plan.

Be ready

Have important documents packed and ready in one place to take quickly if the time comes.

Top

Tips!

Check insurance policies

Read your Product Disclosure Statement and schedule to know if you have the cover you need.

Ask a lawyer

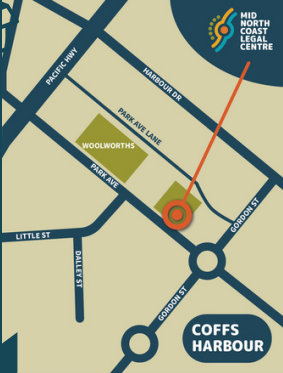

Your problem may be a legal issue. Contact us to find out if we can help or who we can refer you to.
